RIGHT OF BL

BL reserves the right to partially or totally accept or reject any/all bids placed in the Online Bidding Event without assigning any reason whatsoever. BL also retains the right to allot the requirement to more than one bidder or consolidate the requirements among one or more bidders.

3.0 DEFINITION OF KEY TERMS

3.1 On Line bidding Event

Online Bidding/Negotiation Event (Forward Auction/ Open Request for Quotation/ Sealed Bid) refers to those negotiations conducted through the Internet with the bidders (from one or more locations) simultaneously bidding, to be selected for providing the service/s in the online bid. In other words, the venue for the online bid is on an Internet website/ platform. Any other URL assigned by e-bidding agent would constitute venue for the purpose of the online bidding event.

3.2 Timing of the on-line bid

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Bid/Auction Engine. It shall be the endeavour of e-bidding agent to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Bid/ Auction Engine (launch, operation, closure) would be guided by the Server Time. Bidders are advised to refresh both the windows of the online bid to check the exact Server Time (displayed in both the windows).

3.3 Preview Time & Start Time

Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the bidding details such as item specifications and bidding rules. The purpose is also to familiarise participants with the functionalities and screens of the online bidding mechanism. It is not mandatory for e-bidding agent to provide Preview Time.

Start time refers to the time of commencement of the conduct of the online bid. It signals the commencement of the Price Discovery process through competitive bidding.

Auto Extension of the on-line bid timing

In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall
