**GENERAL TERMS & CONDITIONS OF ON LINE BIDDING**

**1.0 GENERAL CONDITIONS**

- 1.1 Bidders shall commit to supply/buy the product/service (being bid for) at the price entered by them in the online bid AND at the terms and conditions specified herein by the BL. All Prices entered shall be legally binding on the Bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honour the bids placed during the online Bid shall render the bidders liable for any penal action as deemed fit by BL or its e-bidding agent.
- 1.2 In the event of winning an allotment in the bidding event, the bidder shall commit to fulfil the outlined obligations under the contract.
- 1.3 The bidder shall bid on the terms specified by BL and place their bids in the online bid in the manner specified by our e-bidding agent. The Bidder shall not stipulate any conditions on their own unless the terms of the Client (in the BL's Terms and Conditions) expressly permit such conditions being stipulated by the Bidder. Bids entered with conditions attached shall be considered. Conditional bids and e-bidding agent retains the right of rejecting these bids even without intimating the BL.
- 1.4 BL or its e-bidding agent shall not be responsible for any delays in initiating the online bidding event or postponement/cancellation of the online bid proceedings due to any problem with the hardware/ software/ infrastructural facilities or any other shortcomings.

**2.0 RIGHT OF BL**

BL reserves the right to partially or totally accept or reject any/all bids placed in the Online Bidding Event without assigning any reason whatsoever. BL also retains the right to allot the requirement to more than one bidder or consolidate the requirements among one or more bidders.

**3.0 DEFINITION OF KEY TERMS**

**3.1 On Line bidding Event**

Online Bidding/Negotiation Event (Reverse Auction/ Open Request for Quotation/ Sealed Bid) refers to those negotiations conducted through the Internet with the bidders (from one or more locations) simultaneously bidding, to be selected for providing the service/s in the online bid. In other words, the venue for the online bid is on an Internet website/ platform. Any other URL assigned by e-bidding agent would constitute venue for the purpose of the online bidding event.

### 3.2 Timing of the on-line bid

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Bid/Auction Engine. It shall be the endeavour of e-bidding agent to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Bid/ Auction Engine (launch, operation, and closure) would be guided by the Server Time. Bidders are advised to refresh both the windows of the online bid to check the exact Server Time (displayed in both the windows).

### 3.3 Preview Time & Start Time

Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the bidding details such as item specifications and bidding rules. The purpose is also to familiarise participants with the functionalities and screens of the online bidding mechanism. It is not mandatory for e-bidding agent to provide Preview Time.

Start time refers to the time of commencement of the conduct of the online bid. It signals the commencement of the Price Discovery process through competitive bidding.

### 3.4 Auto Extension of the on-line bid timing

In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall continue until no bids are placed for the specified period (Engine remains inactive for the specified period). The Inactivity Time for Auto Extension purpose is normally 7 minutes. The e-bidding agent however have the right to change the same. The Inactivity Time applicable for the particular Online Bid shall be visible to the bidders under the Bidding Rules module on the engine.

### 3.5 End of the on-line bidding event.

End of the Online Bidding Event refers to the termination of the online bid proceedings signalling an end to the price discovery process
